# The Neurodivergent Collective

*a community*

*by and for*

*neurodivergent people*

# About Us

The Neurodivergent Collective is a community by and for neurodivergent people. Join our welcoming community to access inclusive opportunities for connection! We hold events and meetups for anyone over the age of 18 and identifies as neurodivergent (ADHD, autistic, dyslexia etc).

**We have volunteers facilitating events but do not provide direct support or supervision.**

**Members bring their own supports to help adapt and accommodate their needs.**

# FAQ

## Cost

**Events are free to attend. Meetups may have costs associated with doing the activity.**

## Who Can Attend?

**Anyone who is over age 18 and is neurodivergent. You do not need to be affiliated with Rutgers.**

## Location

**Events are generally held at the Rutgers Center for Adult Autism Services. Meetups will be at locations in central New Jersey.**

# What We Offer

- Opportunities to interact and meet other neurodivergent people
- To be with others and in places that feel comfortable
- To be a part of a growing community of neurodivergent people
- To be able to contribute ideas to future events or activities
- The ability to come drop by events or stay the whole time
- Having event facilitators that are a resource for questions or concerns during the event or meetups.
